

June 2011
Porto - Portugal

Scientific Programme
(PROPOSAL)

Tuesday 21.06.2011					Wednesday 22.06.2011							
Invited Talks					Parallel Sessions							
Room 1 "Arquivo"					Room 1 "Sala do Infante"	Room 2 "Arquivo"	Room 3 "D. Luis"	Room 4 "D. Maria"				
09:00	Genetics in the vineyard				A - The Vine as the Foundation of New Wines	D - Wine: a Molecular Construction	K - Constructing Healthier Wines	H - Constructing New Markets / New Products				
	Debate											
09:30	Yeast: The wine builder											
	Debate											
10:00	Wine Flavour: a "Brain Construction"											
	Debate											
10:30	Coffee break											
11:00	Oral communication A.1.1	Oral communication D.2.1	Oral communication K.3.1	Oral communication H.4.1					B - Managing Vine Information	G - Wine Metrics and Sensors (cont.)	D - Wine: a Molecular Construction	Q - Wine Industry Design
11:15	Oral communication A.1.2	Oral communication D.2.2	Oral communication K.3.2	Oral communication H.4.2								
11:30	Debate	Debate	Debate	Debate								
11:45	Oral communication A.1.3	Oral communication D.2.3	Oral communication K.3.3	Oral communication H.4.3								
12:00	Short communication A.1.4	Short communication D.2.4	Short communication K.3.4	Short communication H.4.4								
12:05	Short communication A.1.5	Short communication D.2.5	Short communication K.3.5	Short communication H.4.5								
12:10	Short communication A.1.6	Short communication D.2.6	Short communication K.3.6	Short communication H.4.6								
12:15	Debate	Debate	Debate	Debate								
12:30	Lunch											
14:00	Oral communication A.1.7	Oral communication D.2.7	Oral communication E.3.1	Oral communication H.4.7	C - Constructing Sustainable Vineyards	E - Winemaking Technology	P - Winery Design	R - Wine and Tourism				
14:15	Oral communication A.1.8	Oral communication D.2.8	Oral communication E.3.2	Oral communication H.4.8								
14:30	Oral communication A.1.9	Oral communication D.2.9	Oral communication E.3.3	Oral communication H.4.9								
14:45	Debate	Debate	Debate	Debate								
15:00	Oral communication A.1.10	Oral communication D.2.10	Oral communication E.3.4	Oral communication H.4.10								
15:15	Oral communication A.1.11	Oral communication D.2.11	Oral communication E.3.5	Oral communication H.4.11								
15:30	Short communication A.1.12	Short communication D.2.12	Short communication E.3.6	Short communication H.4.12								
15:35	Short communication A.1.13	Short communication D.2.13	Short communication E.3.7	Short communication H.4.13								
15:40	Short communication A.1.14	Short communication D.2.14	Short communication E.3.8	Short communication H.4.14								
15:45	Debate	Debate	Debate	Debate								
16:00	Coffee break											
Poster sessions & OIV Commissions					C - Constructing Sustainable Vineyards (cont.)	F - Wine Analysis and Trade Regulation	S - Wine Apparatus and Accessories	I - Monitoring Markets and Consumers				
17:00	Oral communication C.1.9	Oral communication F.2.1	Oral communication S.3.1	Oral communication I.4.1								
17:15	Oral communication C.1.10	Oral communication F.2.2	Oral communication S.3.2	Oral communication I.4.2								
17:30	Debate	Debate	Debate	Debate								
17:35	Oral communication C.1.11	Oral communication F.3.1	Oral communication S.3.3	Oral communication I.4.3								
17:40	Short communication C.1.12	Short communication F.3.4	Short communication S.3.4	Short communication I.4.4								
17:45	Short communication C.1.13	Short communication F.3.5	Short communication S.3.5	Short communication I.4.5								
17:50	Short communication C.1.14	Short communication F.3.6	Short communication S.3.6	Short communication I.4.6								
17:55	Debate	Debate	Debate	Debate								
18:00	Poster sessions & OIV Commissions
